

TMTS 2024

Exhibitor information session

台灣工具機暨零組件工業同業公會
Taiwan Machine Tool & Accessory Builders' Association

TMTS 2024
DX & GX for a Sustainable Future

1 | OBJECTIVES

To promote Taiwan's machine tool industry, showcase technology and capabilities, and facilitate international cooperation through the participation of companies and professional buyers from various countries in the exhibition to expand international market influence and opportunities. The Taiwan International Machine Tool Show (TMTS) provides a platform for industry exchange, allowing exhibitors, visitors, and professionals to communicate and cooperate at the show, thereby promoting the development of the entire industry.
